Shelly -
Thanks for the info. I'll add Larry and Mike to the invitation - we're glad they can participate. Regarding Alexis: actually, I said that it was my understanding that she would not be able to participate, but I will double-check on that, in the event her schedule has changed. I'm checking with Abi Gaudario on the mechanics of connecting to the VTC, and either she or I will get back to you on that.
-Kathy
